**INSTALLATION INSTRUCTIONS FOR 3B902 SHOOT-N-SCORE TARGET NET & 3B903 POCKET TARGET NET**

**NOTE:** If net is used on goal with available net clips, they may be used to attach net.

1. Cut lengths of net fastener so it overlaps 2".
2. Begin at the top corner of net and loop fastener through net mesh and secure to top beam every 30". Continue across until top of target net is attached. Then attach net to front upright posts in same manner.
3. For a good taut net, be sure to pull net tightly down towards the ground when you attach net fastener to bottom of front post.

**\*\*\*CAUTION\*\*\***

**All sports equipment must be anchored at all times. Sports equipment not in use must be disassembled and stored in a safe, secure place. Assembled sports equipment should not be left unattended. Do not use this equipment during the threat of high winds. Sports equipment should be checked for safety on a regular basis. Any modifications to this or any Kwik Goal product will void any and all warranties.**
